

Breakdown of Movies Released per Year by Primary Genre

The most common types of movies that were released over the last 25 years were comedies, action movies, dramas, and adventure movies.

Unsurprisingly, these were also the most profitable movies. The most profitable movies were movies marketed toward teens, PG-13 movies. Many of the most frequently created movies, like action movies, had teens as their target audience.

Rank of Worldwide Gross Total Income for Movies by Primary Genre per Year

	Primary Genre							
	Action		Adventure		Comedy		Drama	
	Rank of W..	Worldwid..	Rank of W..	Worldwid..	Rank of W..	Worldwid..	Rank of W..	Worldwid..
1995	2	\$0.60B	1	\$0.73B	3	\$0.29B	4	\$0.29B
1996	1	\$2.12B	3	\$0.37B	2	\$0.65B	5	\$0.65B
